DETAILED ACTION

Claim Objections

1. The claims are objected to because of the following informalities:
 - a. in claim 1, line 5, "the coded symbols in the time domain for providing" should be "the time-domain coded symbols to provide";
 - b. in claim 11, line 2, "frequency domain" should be "frequency-domain"; and
 - c. the Examiner suggests changing "time-domain descrambled signal" to "scrambled time-domain signal" in claim 2, line 9; claim 5, line 2; claim 9, lines 17 and 18; claim 11, line 4; claim 12, lines 26 and 27; and claim 18, line 30.Appropriate correction is required.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
3. Claims 1-20 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. It is unclear what is meant by "by redundancy" in claim 1, line 8; claim 7, line 9; claim 9, line 9; claim 12, line 12; and claim 18, line 15. For example, how does "redundancy" relate to the scrambled coded signal and/or the guard interval?

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
